Registration & Payment Guide

The 2017-2018 Knights of Pi Math Tournament will be hosted at Newport High School on Saturday, March 17th, 2017. The contest is designed for students in grades 5 through 8, although younger students are welcome.

How to Register

Registration for the tournament can be completed online at http://www.newportmathclub.org/kpmt/.

1. Click the link that says "Register Your School," or click the "Register" tab on the menu bar.
2. Fill out the form completely and click "Register."
3. Click the "Continue" button.
4. Log in with the username and password you provided during registration. If you forget your password, click "Email my Password" to have it emailed to you.
5. Under the heading "My Competitors," type in the names and grade levels of all the students who will be competing from your school. Then click submit after each one. They should appear in the grid below.
6. Under the heading "My Teams," select a grade level and click "Add Team" for each team you will be bringing to the tournament. The teams should appear in the grid below. **Teams registered on or before February 17th will be charged $40 each, while teams registered after February 17th will be charged $54 each.** Note: After March 10th, you will no longer be allowed to add or remove teams online.
7. For each team, click "Edit Members" in the grid. Then click "Add to Team" for each competitor you wish to add to that team. There are only four competitors allowed to be on each team. A competitor can compete on any team that has a grade level that is the same or higher, but no competitor may drop down to compete on a team that has a grade level that is lower.
8. You will be asked to confirm your registration when you arrive the day of the competition. Please make sure that all names are spelled correctly, grade levels are correct, and teams are arranged as you wish.
9. If you have circumstances that require you to change your registration after the deadline has passed, please contact us at kpmt@newportmathclub.org and we will be happy to assist you.

How to Pay

Registration costs $40 for a team of four competitors if registered on or before February 17th or $54 for a team of four if registered after February 17th. Even if teams are not full, you must still pay the entire $40 or $54 fee. Registration for students competing only on the individual portion of the competition is $12. If you need special payment accommodations, we will be happy to work with you.

There are two ways to pay:

1. Mail a check made out to "Newport High School" for the total amount from your school. If you choose this method, the check must arrive prior to the competition. Mail checks to this address:

    > Newport Math Club
    > Newport High School
    > 4333 Factoria Blvd. SE
    > Bellevue, WA 98006

2. Pay the total amount for your school at the registration table when you check in on March 17.

Once again, if you have any questions, comments, or concerns, please feel free to send us an email at kpmt@newportmathclub.org. We will be happy to help you.
